

**SUMMER PROGRAMME 2018**

When	Time	Where to	Organised by	Details
Saturday & Sunday 26 & 27 May	Arrive at 3.00pm Saturday for a 4.00pm boat across the river	Orford Ness	Alan Linsdell	Overnight stay on Orford Ness for 6 people. Photography with the help of NT guides. Promoted at recent Club sessions, max 6 people now full.
Sunday 3 June	TBA	London Tate Gallery	Pam Aynsley	I'm hatching a plan for a club outing based at Tate Modern in London to include the panoramic views from south of the river Thames over to St Paul's and the city-scape. Wonderful views from the 10th floor with plenty of eating facilities and interest for non member partners if they would like to join us. Tate Modern is an amazing space which is a spectacle in itself. (I will find out details of special exhibitions due in the summer). From here, we can walk over the Millennium Bridge and up to St Paul's Cathedral with plenty of photo opportunities in all directions. Shakespeare's Globe Theatre is very nearby and should we need more to fill our day, we can wander along the south bank to Southwark Bridge. Do come if you can, it's going to be a fun and interesting day. Date to be decided.
Sunday 10 June	TBA	Henry Moore & Photography - Group Booking	Bob Dennis	A special group tour focussing on Henry Moore and photography, led by Chris Overton (a former professional photographer). Photography tours include a private talk, guided tour and tea & coffee. Tickets are priced at £20 per person.
Friday 22 June	TBA	Cambridge Challenge	Jenny Collier	A fun, social evening during which teams visit Cambridge for a photographic "treasure hunt", ending at a suitable pub. Venue to be arranged
TBA	TBA	TBA	Alan Linsdell	Wake boarding at a local water sports centre. Wake boarders pulled by overhead cables rather than speedboats.
Saturday 7 July	TBA	RSPB Flowers & Drone	Lauren Gray Stevens	A summer meeting at the Fowlmere RSPB and a visit to Lauren's garden at Foxfield House, Fowlmere Road, Melbourn. She has nearly 4.5 acres of landscaped garden including a pond! We can also try our hand at drone flying and maybe get it to talk to a projector in the garden room or at least an ipad or phone. End of June/early July is best for Bonica roses on the patio and there will be a tea of scones, cakes and sandwiches too! Patrick, Pam, Ian and Peter I hope will help?! Please?
Saturday 21 July	10.00am	Shepreth Wildlife Park	Lynne Cole	This will consist of a critter riddle challenge, alphabet photography with natural surroundings, finishing off with a cream tea and a refreshing cold glass of something sparkly or a fruit juice. The idea with the critter challenge is to take the most unusual/comical photo that you can, if you wish you may post process your shots to enhance them with "added extras", go wild with them and have fun. The idea is to do this in small teams of 2/3 so as not to become an encumbrance to other visitors to the park. If we could perhaps also have an hour during a club night to review and vote on the best photos produced, there will be prizes.
14 & 15 July	TBA	Bedford River Festival	Mike James	The Bedford River Festival is held biennially in Bedford, England, on the banks of the River Great Ouse. It was founded in 1978 to celebrate the completion of a navigable route, by water, between Bedford and the coast. It has several events and attractions over the two days, usually including bands on several stages, a road parade, boat shows, boat races, a raft race for local teams and a firework display. Along with the normal attractions of a fun fair, there is also a sports village, where clubs put on demonstrations.
TBA when butterflies are in flight probably early August	TBA	Thurfield Heath	Ian Tulloch	Butterfly, flower macro. Last summer Ian photographed at least 12 different species of butterfly including Marbled White, Dark Green Fritillary and Chalkhill Blue. Hopefully the sun will be out!
Saturday 11 August	Around 10.00 to be confirmed	Horseheath Racecourse Eventing	Dave Cole	Cost:- This will be £10.00 per car. So if members could car share then the cost will be minimal. Facilities:- There will be the usual refreshments for these type of events, Hog Roast, Sandwiches, Burgers etc as well as a bar and soft drinks. Photography:- This will be horses Show Jumping and competing in the Cross Country part of 3 Day Eventing, as well as the usual people photography. It will give members the opportunity to practice taking pictures of moving things without too much speed (as with motor vehicles). Access to The Cross Country section of this event is excellent and as long as the weather stays with us then a brilliant day should be had by all.
TBA	TBA	Lee Valley White Water Centre	DG to discuss with MJ	Action photography, - White water rafting, canoeing and kayaking on the Olympic course
Exact date dependent on weather	TBA	East Anglian Seascapes	Keith Truman	Seascapes
Any Saturday or Sunday morning	7.30am	Newmarket Gallops at Warren Hill	Roger Care	At the iconic Newmarket Gallops on Warren Hill from the public viewing lay-bys we can photograph thoroughbred horses being put through their paces galloping up Warren Hill to walk back close to the road. You will need a long lens to capture them galloping and there are views over Newmarket town and the surrounding heathland.
w/c 6 or 20 August midweek	Afternoon & evening	TBA	Alan Linsdell	An afternoon of photographing dragonflies in flight and static
TBA	TBA	Cambridge Botanical Garden/Kew gardens	Ian Tulloch	Macro
